

## Downloading Adobe Creative Cloud Apps

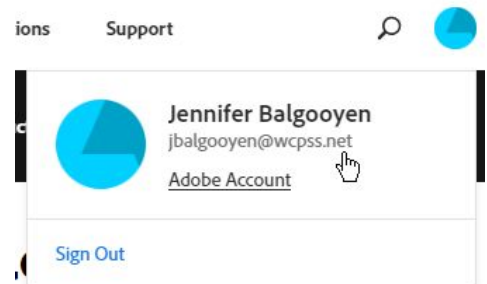

- 1) Go to the Adobe website, click sign in

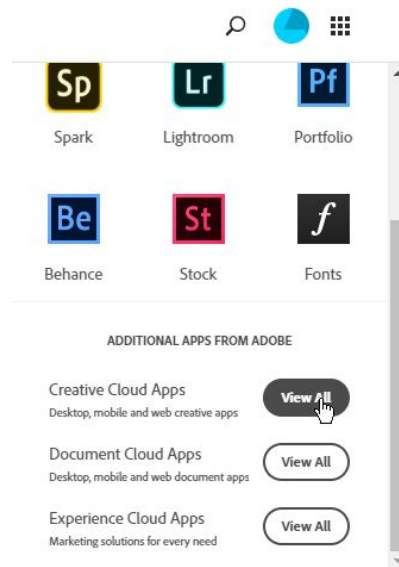

- 2) Sign in to Adobe CC with your WakeID student email address.
- 3) Choose Enterprise ID

- 4) You should see you are now logged into Adobe CC with your student email address

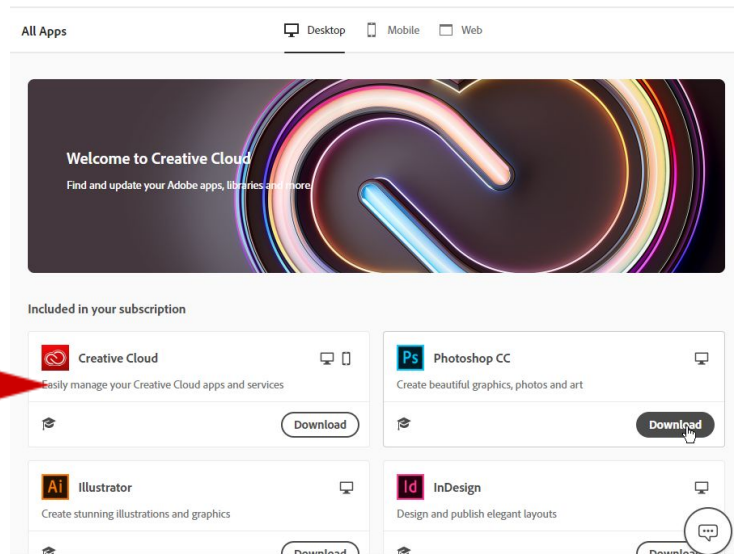

- 5) Click the 9-Grid in the upper right corner, and scroll down to Creative Cloud Apps:View All

### 6) Then **DOWNLOAD THE CREATIVE CLOUD**

**DO NOT DOWNLOAD THE INDIVIDUAL APPS YET**

- 7) Finding the correct version is very important. We use Adobe 2018 at school, and if you install the newer version, those files will not work at school. Below are steps to take in order to download the correct version:

Click **Manage**.

Click **Other Versions**.

Select **supported version** from the list below.

**IMPORTANT:** Unless indicated below, do **not** select the latest version. It is not compatible with student versions and Certiport exams.

**Supported Versions**

• Acrobat DC - 19.x (latest)	• Illustrator - 22.x
• After Effects - 15.x	• InDesign - 13.x
